Highly desirable avoid bringing to public attention fact that discussions deal with specific deployment and augmentation plans outlined State Defense message 1398 to Paris (rptd London 1214 Bonn 591). We should think it not too difficult avoid doing so. Consequently no rpt no announcement re September 14 or subsequent meeting this subject should be volunteered. If fact that meeting held ~~XXXX~~ becomes public and results in press inquiries these should be met by reply along following lines:

QUOTE

These are part of continuing discussions of technical and logistics aspects of our contingency planning UNQUOTE

Consider it important limit ~~responses to inquiries~~ to foregoing general line and this should be stressed to all concerned at September 14 meeting.
